TRANSFORM LEARNING SPACES

Adept, flexible and student-focused, Learn2 seating transforms learning environments. It goes wherever it's needed and can be arranged in any configuration you can imagine. Mobile, adaptable Learn2 facilitates individual work or small to large group teaming. It's exactly what students need and want for collaborative and interactive learning spaces.

STUDENT-FOCUSED

Learn2 adapts to each student's personal space and provides customized comfort. Its dual-handed workspace is fully adjustable (including belly room adjustment). Sleek, simple and sturdy, Learn2 offers a timeless visual aesthetic and unmatched durability.
