Our Commitment

ECR4Kids is committed to developing and distributing the highest quality classroom furniture and equipment; ensuring these products represent the maximum value in today's marketplace. Our focus and commitment continues to be centered on value-added features, functionality and performance while providing optimal service.

- ✓ Family Owned and Operated
- ✓ Quick Ship - Most Orders Process within 2-5 Business Days When in Stock
- ✓ Excellent Customer Service
- ✓ Premier Packaging
- ✓ Everyday Value Manufacturer

Our Quick Ship

Orders typically process within 2-5 business days 10 months out of the year and 3-7 days during BTS when products are in stock. Inventory levels are based on historical sales experience. Changes in current/future sales demands may create limited on-hand quantities while inventories are rebalanced. If a customer is able to provide an item forecast, we can help ensure, although not guarantee, item availability to meet your expectations. Without a forecast, unusual changes in ordering may cause brief delays.

All items ship parcel (UPS/FEDEX) unless notated with a truck symbol. These items must ship LTL. 🚚

Our Products

ECR4Kids is a leader in high quality, Ready-To-Assemble (RTA) school furniture. Why RTA?

- Low cost alternative to assembled furniture
- Reduced freight cost
- Less freight damage
- Instructions written with teachers in mind
- Pre-assembled kick plates makes table assembly simpler
- Easy to use tools provided

Adult Supervision Recommended

All items are made with little ones in mind, but as with any product, adult supervision is recommended.

Our Responsibility

GREENGUARD Certification

It is our goal to offer the strongest, safest and most sustainable products in the market. ECR4Kids has achieved GREENGUARD [GOLD] Certification for a variety of our products including tables, chairs, furniture, cots, SoftZone®, active play, and more. GREENGUARD Certified products meet or exceed GREENGUARD standards for low chemical emissions into indoor air during product usage. For more information, visit ul.com/gg. By choosing ECR4Kids products, you are promoting a safe and healthy environment for you and your children.

Look for our GREENGUARD [GOLD] Certified products.

BIFMA Testing

ECR4Kids' goal is to provide safe and reliable products to our customers. Many of our items have gone through rigorous BIFMA testing. ECR4Kids Chairs and stools meet or exceed the applicable test requirements from ANSI/BIFMA X6.1-2012 Educational Seating—Tests and our Activity Tables meet or exceed the applicable test requirements from ANSI/BIFMA X5.5-2014 Desk and Table Products – Tests. The goal of BIFMA is to provide healthy, comfortable, and productive workspaces with high material standards. BIFMA focuses on safety, ergonomics, and sustainability to the best of their knowledge.

Look for our BIFMA Certified products.

Let's get connected

DEALER PORTAL

For the convenience of our Dealers we have created the ECR4Kids online DealerPortal. This robust tool allows you to place orders, check inventory, get freight quotes, view your price list, and much more. Available 24/7 at www.ecr4kids.com/dealerportal. Live Chat is also available for your convenience.

PRODUCT REVIEWS

Love our items, tell us about it! ECR4Kids now collects product reviews on our website. Simply search for your item and click 'Write a Review.' You can also leave a review on the site you purchased your product.

WWW.ECR4KIDS.COM

Products, images, descriptions, dimensions and more can be found on our website at www.ecr4kids.com.

*Tables above are paired with 12" chairs. Additional configurations will vary based on chair size.

T-Mold

T-Mold edge banding is a protective strip shaped like the letter "T" that is inserted into the table top and secured. This attractive molding is applied to create a finished look and protect the table from the wear and tear of everyday use.

10-Year Limited Warranty

Thermo-Fused

Thermo-Fused edge banding uses heat to bond a protective strip to the table top creating a seamless appearance. This edge banding prevents against germ growth and provides an attractive professional look that will keep it's quality for years to come.

12-Year Limited Warranty

LEG FEATURES

Adjustable legs feature dual set screws to ensure stable connection
Lower legs are chrome plated and adjustable in 1" increments
Upper leg is powder coated tubular steel
Glide options: nylon swivel for hard surface or ball glides ideal for carpet

ADJUSTABLE TABLE HEIGHTS

Standard Legs adjust table height from 19"–30"
Toddler Legs adjust table height from 15"–23"
Chunky Legs adjust table height from 15"–24"
Super Legs adjust table height from 19"–30"

TABLE FEATURES

Table Top: 1.125" thick
Easy leg assembly with pre-installed receiving brackets (not available on ELR-14118)
Steel stability bars pre-installed on Horseshoe, Kidney, Half-Moon, and 72" length tables. Colorful edge banding matches ECR4Kids School Stack Chairs. Table Tops feature stain-resistant and easy-to-clean laminate. Thermo-fused melamine surface that resists scratches, scuffing, and chemicals

LEG STYLES

Four types of adjustable table legs are available: Toddler (15"-23"), Chunky (15"-24"), Standard (19"-30") and the brand new Super Leg (19"-30"). Upper table legs are powder coated tubular steel and lower legs are chrome plated and adjust in 1" increments. **B**

Toddler Leg
15"-23"

Chunky Leg
15"-24"

Standard Leg
19"-30"

NEW Super Leg
19"-30"

Add \$50 to MSRP

*Casters Included-
Super leg can be used with the four
casters as a mobile table, two casters
and two levelers wheelbarrow style, or
with four levelers; all included.*

GLIDES

Chunky Leg

Ball Glide

Swivel Glide

NEW Super Leg
Caster and Glide, all included
Add \$50 to MSRP

Swivel Glide - Ideal for hard floors, may not be suited for all carpet types. Glides self-level to create an even workspace.

Ball Glide - Ideal for carpeted floors, may not be suited for all hard floor surfaces.

Casters - Included with the Super Leg for mobility.

NEW DRY-ERASE TABLES

The ECR4Kids Dry-Erase Adjustable Activity Table provides an interactive workspace for any classroom, playroom, home, or office environment. Table tops feature a whiteboard top, eliminating the need for pens and paper, allowing students to collaborate on projects. When the group has solved the problem at hand, table tops wipe easily to clean. A black heat-sealed thermo-fused edge banding is applied to prevent against germ growth and provide an attractive professional look that will hold up against everyday use. Four types of black adjustable table legs are available: Toddler (15"-23"), Chunky (15"-24"), Standard (19"-30"), and Super Leg (19"-30"). Upper table legs are powder coated tubular steel and lower legs are chrome plated and adjust in 1" increments.

NEW COLLABORATION TABLES

The ECR4Kids Collaboration Tables are perfect for the classroom, playroom, home, or office. Table tops feature an easy to clean laminate with rounded edges for safety. A heat-sealed thermo-fused edge banding is applied to prevent against germ growth and provide an attractive professional look that will hold up against everyday use. This sleek edging also allows for a better connection between tables, eliminating gaps. Four types of adjustable table legs are available: Toddler (15"-23"), Chunky (15"-24"), Standard (19"-30"), and Super Leg (19"-30"). Upper table legs are powder coated tubular steel and lower legs are chrome plated, adjustable in 1" increments. Tables are available in a variety of attractive colors with your choice of ball or swivel glides.  

Must order in case pack quantities of 1

Tables with Book Boxes and Interactive Tables

Available Color Combinations

Replacement Book Boxes -

The ECR4Kids Book Boxes mount to the underside of Activity Tables (ELR-14908-XX, ELR-14922-XX, ELR-14927-XX) to provide storage for textbooks and other school supplies. Replacement book boxes sold as a 2-pack.

ELR-14908-MPBKBS

NEW TABLE WITH BOOK BOX

The ECR4Kids Rectangular Adjustable Activity Table with Book Boxes is perfect for the classroom, playroom, or home environment. The grey book boxes mount to the underside of the table to provide storage for textbooks and other school supplies. Table tops feature a laminate with rounded edges for safety. A Thermo-fused edge banding is applied to create a finished look and protect the table from the wear and tear of everyday use. Two types of black adjustable table legs are available: Standard Swivel (BKSS), Standard Ball (BKSB) (19"-30") and Super Leg (BKSL) (19"-30"). Upper table legs are black powder coated tubular steel and lower legs are chrome plated and adjust in 1" increments. Tables are available in a variety of attractive colors with your choice of ball or swivel glides. ECR4Kids Tables with Book Boxes are not recommended for use with 18" chairs due to the suggested leg clearance from the bottom of the book box.

NEW INTERACTIVE CHILDREN'S TABLE

Engage multiple children at once during snack time or while doing an exciting activity on the ECR4Kids Interactive Children's Table. Tables provide a safe space for infants and toddlers ages 5 - 24 months, no more than 30 pounds. Children should be placed in the bucket seat and secured using the attached safety seat belt. When lunch time is over, cleanup is a breeze. Simply remove the bucket seats and wipe clean. The attractive stain-resistant laminate table top features a heat-sealed Thermo-Fused edge banding to prevent against germ growth with rounded edges for safety. If seats or safety straps become damaged or go missing, remove the item from use; replacement straps and buckets seats available for purchase. 

Must order in case pack quantities of 1

“ Unlike other stackable chairs, Contour is designed to mold young bodies by training muscles to engage ”

CONTOUR CHAIR ASSESSMENT

BY: DR. STEVEN WEINIGER

THE CONTOUR CHAIR, A STACKABLE CHAIR FOR SCHOOL CHILDREN DESIGNED TO PROACTIVELY ADDRESS POSTURE.

While we may not think of sitting in a classroom as athletic training, growing kids are training their body alignment for a lifetime. Muscles physiologically strengthen in the ways they're used and, along with other soft tissue like ligaments and tendons, mold to what becomes that person's habitual position.

Currently, better bucket chairs (the stacking variety as well as many labeled "ergonomic") are designed with a curve to support the low back, primarily the lumbar spine. Their goal is to be comfortable, especially when you first sit in them. With time low level discomfort from bucket chairs results in frequent positional changes.

The bigger problem is that supporting the lumbar spine takes the load off of muscles that should be working, and unused muscles get weak. Over time, posture breaks down.

The Contour's vertical seat back stacks the Torso directly over the Pelvis. Plus, the unique "Torso-Lift Ridge" angles the torso up to open the chest, and allowing the shoulders to drop back reflexively, reducing stress on the neck. It's like a parent's thumb in your mid-back, cueing you to sit taller. Simultaneously, the rounded seat pan cradles the pelvis backwards, opening the lumbar spine.

The Contour is designed to train posture to be strong by encouraging children to sit well naturally at school and at home. The secret of our posture strengthening design is that, unlike the "supportive" design of many "ergonomic" chairs, Contour is designed to engage, not just support. By positioning the Head-Torso-Pelvis PostureZones® to balance vertically, you reflexively use the muscles essential for good posture. These deep postural muscles stabilize the torso on the pelvis, and are also known as the inner core muscles.

DR. STEVEN WEINIGER | POSTURE EXPERT

Internationally renowned posture expert, Dr. Steven Weiniger, has trained thousands of doctors, therapists, trainers, and other health and wellness professionals to first rehab injuries and then help their patients and clients keep moving well as they age with StrongPosture® exercise protocols.

Dr. Weiniger graduated from New York Chiropractic College and is a postgraduate instructor for University of Western States. Dr. Weiniger is the lead instructor for the posture specialist certification, CPEP (Certified Posture Exercise Professional) setting the clinical standard for posture improvement protocols with clinicians worldwide.

A resident of Atlanta, Georgia, Dr. Weiniger focuses on posture rehab, biomechanics and the importance of integrating exercise into every lifestyle.

NEW CONTOUR CHAIRS

The ECR4Kids Contour Chair is designed to create positive posture habits starting with children up to adults. The contoured shell encourages children and adults to sit well naturally as the vertical seat back stacks the torso directly over the pelvis. The unique torso-lift ridge angles the torso up to open the chest, allowing the shoulders to drop back reflexively, ultimately reducing stress on the neck. Simultaneously, the rounded seat pan cradles the pelvis backwards, opening the lumbar side. Available in sizes 12-18 inches, chairs come in your choice of 12 attractive colors. Legs are powdercoated with a silver mist for a sleek appearance and self-leveling swivel glides, ideal for use on hard surfaces.

Must order in case pack quantities of: 12" = 4, 14" = 4, 16" = 4, 18" = 4

Colors: Black (BK), Blue (BL), Burgundy (BY), Eggplant (EP), Grey (GY), Light Grey (LG), Navy (NV), Powder Blue (PB), Red (RD), Seafoam (SF), Squash (SQ), and Tangerine (TG)

Contemporary Design-
The one-piece contemporary shell has concealed rivets to prevent clothing and hair from snagging.

Handle-
Located on the chair shell is a convenient handle to move chairs from room to room.

Torso-Lift Ridge -
Angles the torso up to open the chest, and allowing the shoulders to drop back reflexively, reducing stress on the neck.

Silver Mist Legs-
All Contour Chair legs feature an attractive Silver Mist finish.

Nylon Swivel Glides- Ideal for hard floors, may not be suited for all carpet types. Swivel glides self-level to create an even workspace.

Chair Frame-
The durable polypropylene seat is attached to a steel frame with both vertical and horizontal ribs for added strength.

Premier Table Packaging

ECR4Kids is committed to superior quality in every detail of our items and that includes the safe transport of our products. We know the value in exceptional product packaging to ensure a secure and smooth delivery and a positive buying experience for customers.

Because of this commitment, ECR4Kids has developed the best Activity Table packaging in the industry. What makes ECR4Kids Activity Table packaging stand apart from the rest? Superior edge protection. We surround all Activity Table edges in heavy-duty and resilient EPE foam “U” channels along with specially engineered EPE foam corners and over 1” of high density protection on all edges.

When compared to our competitors, many of whom offer little to no protection, ECR4Kids go the extra mile to safeguard our products so they arrive ready to use.

CLASSROOM SEAT COMPANION

Keep students organized and school supplies within reach with the ECR4Kids Seat Companion. Personalize each storage unit with the 3" x 6" clear name pocket. Simply slip the seat companion on to the back of a chair and journals, pencils and more will be accessible during class time. The large pocket is reinforced to hold items such as notebooks and individual journals. The smaller pocket is perfect for classroom supplies like crayons, pencils, scissors, and more. Constructed using durable and attractive denim with a blue trim, seat companions are easy to clean (machine washable, lay flat to dry). Designed for use with all types of ECR4Kids chairs; sold separately

Must order in case pack quantities of 6

OPEN FRONT DESKS

Say hello to the classic open front desks you remember using in school! The ECR4Kids Open Front Desks have a proven design perfect for today's classrooms and homes. Students need a place to learn and grow, and the open front desks provide that environment. The book boxes are also outfitted with an indented groove to keep pencils, pens, and the like from sliding around and from falling on to the floor. Let's keep our desks nice and tidy! The sleek chrome legs are adjustable in one inch increments. Start them off early with the desk at 24"H and watch as it grows along with your sprouting students. Desks can adjust from 24"H to 30.5"H. Each leg is equipped with a nylon swivel glide to keep the ECR4Kids Open Front Desk well-adjusted under less than ideal flooring conditions. The glides help to self-level desks, providing an easy solution for uneven flooring.

Bentwood Chairs

ENHANCED BENTWOOD CHAIRS

Perfect for class time or play time, ECR4Kids Bentwood Chairs marry form with function. These comfortable, lightweight chairs are easy for little ones to pick up on their own, so you can move quickly from musical chairs to math lessons. And when it's time for the hokey-pokey, Bentwood Chairs stack away easily to save space when not in use. Chairs of the same size stack four high. Made of multi-ply birch, chairs feature a uni-body design contoured for healthy posture, smooth rounded edges, and non-scuff boots to reduce noise and protect flooring. Beautifully designed, Bentwood Chairs feature a natural wood finish and require proper care. **B**

Clean and care: check for loose or worn parts periodically and tighten or replace as necessary. Use a clean, damp cloth or sponge with mild soap, non-bleach detergent, or general purpose cleanser. Abrasive cleaners or powders should not be used as they may permanently dull or scratch the surface. Wipe dry thoroughly. Remove chairs from use if boots become loose or fall off.

Must order in case pack quantities of 2

Thickness

The redesigned Bentwood Chair's feature a thicker ply to increase strength and durability.

Brace

The updated leg brace is larger and stronger to improve overall chair stability.

Slanted Boot

The boots on the rear legs are slanted to prevent rocking and improve overall safety.

NEW BENTWOOD MULTIPURPOSE TABLE AND CHAIR SET

The Bentwood Multipurpose Table and Chair Set is just the place for little ones to meet up for story time, manipulative play, and more. Perfect for home, daycare, or school use, the contemporary design includes one large piece that can be used as a bench, desk or traditional table and two smaller pieces ideal for use as chairs, stools, side tables, or shelves. Both the table and chairs feature an attractive natural finish with built-in handles to change the configuration or move from room to room. The chairs slide under the table or desk for storage when not in use. With rounded edges for safety. The table and chairs are fully assembled and shipped in a single box for convenience. Intended for use by children ages 2 and older.

Posture-

Encourages proper posture for the back and head, helps those with low muscle tone strengthen their core muscles.

Mobility-

The lightweight stool can easily move from the classroom to the reading room.

Seat Design-

The seat has a cozy dip with a non-slip surface to keep from sliding off.

Contemporary design features an attractive decagon shape top.

360° Motion-

Convex base allows you to rock 360° - a great alternative to a traditional classroom chair.

Actual colors may vary.

Floor Use Only-

Stools are intended for use as a seat on the floor only.

Rest Time

NEW NAP COMPANION

The Nap Companion from ECR4Kids is the perfect cozy napping friend for your little one to take to daycare, preschool or grandma's house. Featuring a quilted lining, attached lightweight fleece blanket, carrying handle, and removable pillow, the all-in-one solution is a great alternative to bulky pillows and blankets. Designed with your little one in mind, the Nap Companion rolls up easily, securing with the attached elastic bands. Personalize each companion with the convenient name tag holder. Caring for the Nap Companion is a breeze, simply remove the pillow and machine wash cold and tumble dry low. Pair with any ECR4Kids standard sized cot or mat for a peaceful and comfortable rest time.

Must order in case pack quantities of 4

Sleepy-Time Folding Rest Mats

Rest Time

SLEEPY-TIME FOLDING REST MATS

The Sleepy-Time Rest Mats are a comfortable and durable rest time solution for preschool age children with superior features and functionality. The mats are made of the highest quality, offering a cozy, dense foam core with a radio-frequency heat-sealed covering to resist liquid and prevent bacteria growth. Maintain sanitary conditions with the dual-colored mats by placing one color on the floor and using the other side for sleeping.

Clean and care: Clean with a damp cloth or sponge using warm water and mild soap, wipe dry. For difficult stains, use a common household cleaner or rubbing alcohol. Do not use bleach or ammonia base cleaners.

FOLDING REST MATS

Sleepy-Time Rest Mats fold for space saving storage when not in use.

	Premium	Everyday	Value

Classroom Organization

FUNCTIONALITY IN COLOR

We know that storage is important, but style and fun shouldn't be ignored in the quest for organization. The assorted color palette features a variety of attractive colors including red, orange, green, blue and purple. Children will love to have these bright colors in their bedroom, playroom and craft space. You can even use the colors to signify the contents: green for graph paper, red for ribbons, etc. The possibilities are endless.

The soft smoke, grayscale, and white options are perfect for the sophisticated craft room, office and yes, the garage too. It's a great and convenient option for accessible storage that won't draw too much attention, keeping your belongings organized in style.

SIMPLY STRONG

Storage is nothing if it doesn't last. Each mobile organizer has a steel frame and rails that are designed to withstand continuous use. Our products are tested to ensure drawers slide in and out effortlessly, staying on their tracks, with knobs securely in place. Two of the four casters are locking to hold the unit firmly in place. To move the organizer, simply unlock the casters and roll it to the next location!

ELR-009-AS

MOBILE ORGANIZERS

The ECR4Kids Mobile Organizers are designed to make organizing your life easier and more attractive. Each drawer is carefully thought out in size, weight capacity and ease of use to make storing your belongings quick and stress-free. Don't forget about the additional surface area on top for easy access! The compact size of this organizer features significant storage in a small footprint. This makes it possible to fit almost anywhere, keeping your files, papers, art supplies, crafts, tools, toys, and more safely stored away.

Stackable!

STACKABLE STORAGE TRUNK

Brightly colored ECR4Kids Stackable Storage Trunks are perfect for storing toys, games, and supplies. The 18-gallon trunks have matching dome lids and locking handles; more importantly, they stack easily to save space! The four attractive primary colors will brighten up any classroom, daycare, or playroom. Clean-up time is easy and fun when little ones know the blocks go in the blue trunk, and race cars go in the red one. Locking lids keep things stowed securely when playtime is over.

**Accessories sold separately.*

Blocks and Manipulatives

BENEFITS

The benefits of Manipulatives in mathematics development in early childhood education has been proven to be very important. In fact, California, North Carolina, Texas and Tennessee, have mandated the use of Manipulatives when teaching math. A few of the benefits include the development of hand eye coordination, problem solving skills, creative thinking, spatial relations, decision making, observation,

"Manipulatives can be important tools in helping students to think and reason in more meaningful ways. By giving students concrete ways to compare and operate on quantities, such manipulatives as pattern blocks, tiles, and cubes can contribute to the development of well-grounded, interconnected understanding of mathematical ideas." -Stein and Bovalino (2001)

Closures - On both ends of the bin, blue closures help keep the lid securely in place for storage and Manipulatives safe from spilling.

Bin With Lid - Each manipulative set comes in a durable clear plastic bin with lid for storage. The lid features a convenient handle to move the pieces from room to room.

Individual or Set - Manipulatives are sold as a pack of four with your choice of the same set or as an assorted pack (Manipulative Mania Sets 1 and 2).

Pieces - Each bin contains approximately 84-400 pieces depending on the set.

Age Recommendation - The ECR4Kids Manipulative Sets are safe for ages 18+ months but are intended for use by ages 3+. ELR-19209 3+ only.

MANIPULATIVES

Provide exciting and educational activities for your early learning or home environment with the ECR4Kids Manipulatives. Children will challenge themselves to construct sky scrapers, animals, and more with the nine different manipulative collections. Sets encourage the development of hand-eye coordination, motor skills, mathematics and creativity. Each group of manipulatives is packaged in a clear tub with convenient lid and handle that stack to save space.

SOLID HARDWOOD UNIT BLOCKS

Imaginations come alive when these blocks come out to play! Solid hardwood blocks bring creativity and fun into the classroom or the living room. As children build kingdoms and roadways and really, really tall towers, they will develop reasoning skills, motor skills—even math skills! Smooth, hand-sanded blocks have beveled edges and rounded corners for safety, and are all based on a uniform 1.25" width for easy building. Refer to the block chart for what shapes are included in each set.

SoftZone®

NEW CARTWHEEL AND BALANCE BEAM PRACTICE MAT

The ECR4Kids Cartwheel and Balance Beam Practice Mat is a fun guide to assist beginner tumblers as they learn how to do a cartwheel and walk the balance beam. One-side features a fun hands and feet pattern that can be used to teach correct placement for right or left-handed cartwheels. The other side has a white balance beam stripe with a foot pattern to guide them in this basic gymnastics skill. When not in use, the ECR4Kids practice mat folds in thirds to measure 24"W x 24"L x 3"H for space saving storage when not in use.

ELR-12693 72"W x 24"D x 1"H **\$80**

TUMBLING MATS

Children will enjoy active play on the brightly colored, multi-panel tumbling mats from ECR4Kids. Perfect for doing forward rolls and cartwheels with adult supervision or gathering for story time; a necessity for any preschool, daycare or home. Each tumbling mat is made up of four sections, each highlighted in one of four bright, primary colors. The entire mat is constructed of 2" thick dense foam to maximize resiliency and durability. Color and stability make for the ideal mat for a multitude of settings. Tumbling mats easily attach to one another to extend the fun across the room. Use the convenient hook and loop extensions to connect mat to mat and keep the tumbling at a maximum. When it's time to pack up the fun, your job is a breeze. Mats clean up with a quick soap and water wipe down. They fold in half and are easily carried away to storage using the sewn-in handles. All Mats: 2" H

SoftZone®

Folds Up- The play mat folds up to keep toys organized. Move them to another room and open up the mat for a safe space for little ones to roll around. Folds up to be 12" x 12" x 12".

PLAY & STORE MAT

The multi-purpose SoftZone® Play & Store Mat from ECR4Kids is a combination play mat and soft storage bin. Keep toys stored inside and when it's time to play, open the storage bin into a soft and safe play mat. Little ones can roll around on the comfortable and durable mat with your choice of primary and soft-tone colors or fun hands and feet patterns. When play time is over, clean-up is a breeze! Simply fold the mat back into the bin securing with hook and look closures and store safely away.

WE STAND BEHIND OUR PRODUCTS

ECR4Kids stands behind the quality of all of our products. For extended warranty information, please visit our website at www.ecr4kids.com.

SAFETY IS OUR #1 PRIORITY

Total lead, lead in surface coating, phthalates and toy safety are just some of the standards that the CPSC has set forth in the Consumer Product Safety Improvement Act of 2008. ECR4Kids continues to meet and exceed these standards to ensure that our customers can be confident in the safety of our products. Any inquiries on testing and safety standards should be directed to the ECR4Kids Compliance Department at compliance@ecr4kids.com

ECR4KIDS CATALOG—GENERAL INFORMATION & PRINTING/PRODUCT DISCLAIMERS

The 2017 ECR4Kids catalog provides general information about products manufactured and/or offered by ECR4Kids and does not constitute a contract. ECR4Kids reserves the right without prior notice to: change, delete, supplement or otherwise amend at any time the information, images, and specifications contained in this catalog or other documents. Information contained in this catalog is not necessarily complete. For further information please consult with an ECR4Kids Sales Representative via email at sales@ecr4kids.com or telephone (855) ECR-4KIDS.

- **Pricing**

All prices listed in this catalog are Manufacturer's Suggested Retail Price (MSRP). In some cases, the MSRP represents the actual (or approximate) market selling price. In other situations, due to industry standards, the MSRP may be significantly higher than actual market conditions would dictate. In all cases, the MSRP is provided merely as a reference/convenience.

Although our stated policy is to maintain consistent pricing throughout the calendar year, we reserve the right to make price adjustments for all products and offers due to changing manufacturing/availability (as a result of product discontinuation, raw material price changes, currency fluctuations, etc.), freight and/or fuel surcharges, errors in advertisements and other extenuating circumstances.

Volume pricing is available. Contact your Sales Representative for additional information and terms.

- **Product Color**

For product colors please refer to an ECR4Kids product PMS color sheet. Due to printing and computer monitor limitations, we cannot be held liable for variations in color. If color must be precise, please consult a PMS chart or request a random sample of the product color.

- **Scuffs & Scratches (Plastic)**

It is the nature of plastic to scuff and scratch when stacked and shipped. Clear and darker colored plastics show this the most. These scuffs and scratches are not considered a defect.

- **Trademarks**

All artwork used in this catalog and provided to ECR4Kids Dealers, must be utilized in full compliance with all applicable laws regarding trademark, licensing, copyright, right of privacy, patent or similar protection.

- **Accessories**

Unless described as included with the product being offered, accessories shown in photos are not included.

- **Availability**

All items offered in this catalog are subject to availability.

- **Country of Origin**

A single item may consist of several components from different countries. The country of origin information is listed on the packaging and/or product.

Bits and Pieces

We understand accidents can happen. And when they do, we've got you covered. Keep in mind that we may offer additional parts not listed here. Give us a call if you have any questions.
