# Quick & Easy Online Ordering

## Account Set-Up

If you already have a Plymold account you can set-up an on-line account to get your discount on all web orders. Simply set-up an account on our website and then send your company name and the associated e-mail address to [dealersales@plymold.com](mailto:dealersales@plymold.com) and request your existing discount. We'll let you know when you're ready to get shopping – please allow 24 hours.

## Fill Your Cart

Browse products or search for a specific part number to find your desired products. Select finishes and quantity then add the product to your cart.

## ESSENTIALS AT A GLANCE

Chairs & Barstools	p. 04	Waste Receptacles	p. 74
Table Tops & Bases	p. 30	Outdoor Furniture	p. 76
Booth Seating	p. 46	Finish Options	p. 80
Cafeteria Seating	p. 60		

## Check-Out

You have the option to create an account or check-out as a guest. Enter your shipping information and get your freight calculated. You can also add extras such as lift-gate or call before delivery. We accept Visa, Mastercard, Discover, and American Express. Your information is safe on our encrypted, secure site.

## Shipping

Approximate lead times are listed on each item and orders will be sent complete. You'll receive an order acknowledgement from us when your order is entered into our production schedule and will show an approximate ship date.

No minimum order charges!

Questions?? Contact our Customer Support team at [dealersales@plymold.com](mailto:dealersales@plymold.com).

Warranty on wood table tops will be affected by moisture conditions and usage. Solid wood table tops must be stored and used in environments with relative humidity in the range of 35% to 50%. Exposure to relative humidity outside this range will cause the product to warp, check or crack, resulting in loss of warranty coverage.

# Table Base

No more broken feet! Our stamped bases are stronger than standard cast iron. Consisting of just three pieces, our table base can be assembled in a snap.

## Color Court Multi-Booth System

The ColorCourt Multi-Booth System is a combination of single and double booths along with wall frames and table tops that together make up a row of booths. We refer to the below illustration as a row or run with four openings.

### Let Us Do the Math

We can determine the right number of tables, frames, single and double booths for you, just submit a quote request to [dealersales@plymold.com](mailto:dealersales@plymold.com) or call Customer Support at 1.800.PLYMOLD.

### Required information for quotes:

- Number of rows (refer to the below dimensions for space requirements)
- Number of openings per row
- Wall or Island Frames (?)
- Laminate Selections-table top, bench, end panel, front bench rail, top bench rail
- Dur-A-Edge color - for table top and end panel

ADA units are available at the end of a run or as a stand-alone unit.

Customer is responsible for compliance to federal, state and local ADA requirements.

## PRODUCTS

Color Court Wall Units with Dur-A-Edge® Tables / Wall units are placed against wall and customers enter from one side

Stand Alone Unit - Includes 2 Single Benches, 24" Dur-A-Edge® Table Top & Adj. Wall Frame

## Placing Orders

All purchase orders must be submitted in writing via fax, e-mail, U.S. mail, or through [plymoldessentials.com](http://plymoldessentials.com). Each purchase order must be on letterhead and bear buyer's signature. No verbal orders will be accepted. To avoid duplication of a faxed order, do not mail a confirming copy. Orders cannot be scheduled for production until all questions and credit terms relating to the order are satisfied. Once all information is received and approved, the order will be entered into the production schedule. If you are ordering based on a Plymold quote, include the quote number on your purchase order.

## E-Commerce Orders

All products in the Essentials catalog are available to order at [PlymoldEssentials.com](http://PlymoldEssentials.com). Online orders require credit card payment and can be cancelled within 24 hours of placing the order by contacting [customersupport@plymoldessentials.com](mailto:customersupport@plymoldessentials.com). If you have an existing Plymold account you can set up an e-commerce account to receive current discounts and payment terms. E-mail [customersupport@plymoldessentials.com](mailto:customersupport@plymoldessentials.com) for instructions.

## Pricing

Prices shown are List, F.O.B. plant in U.S. dollars. Prices are subject to change without notice. Plymold reserves the right to charge tariffs on applicable items if tariffs are increased after catalogs are printed. In the event a product is listed at an incorrect price due to typographical error or error in pricing information received from our suppliers, Plymold shall have the right to refuse or cancel any orders placed for product listed at the incorrect price.

## FOB Terms

All orders ship prepaid, with freight charges added to the invoice unless otherwise requested. All merchandise is F.O.B. Minnesota unless otherwise noted. F.O.B. points are subject to change without notice.

## Minimum Order Charge

Plymold assesses a minimum order charge of \$100 net for any order less than \$2,000 list. Orders for replacement parts only must be at least \$50 net excluding tax and shipping. Replacement orders less than \$50 will be assessed a surcharge equal to the difference of \$50 and the net product total. There is no minimum charge for orders placed on [plymoldessentials.com](http://plymoldessentials.com).

## Billing

Invoices will be e-mailed, faxed or mailed to the customer on the next business day following shipment. All invoices must be settled in US Dollars (USD). Past due accounts are subject to a finance charge of 1.5% per month. Customer will be responsible for any costs incurred in the event that the account is placed for collection.

## Changes/Cancellation

Any changes or cancellations to orders must be received either via fax or e-mail. No verbal changes or cancellations will be accepted. If a change or cancellation occurs after the order is released, the customer will be responsible for all costs incurred prior to the receipt of the change or cancellation.

Plymold reserves the right to cancel any previously acknowledged order without penalty if written notice is given 30 days prior to the scheduled ship date.

Plymold reserves the right to cancel any order at any time without penalty if order fulfillment is prevented by factors beyond our control. These factors include but are not limited to: labor strikes, accidents, natural disasters and vendor non-performance.

# Ordering Info

---

## Lead Times

Plymold manufactures product to order. Lead time is contingent upon raw material availability and current manufacturing capacity levels. We will make every effort to meet requested lead times. Scheduled ship dates are included on order acknowledgements. Plymold will not be held responsible for monetary damages resulting from orders shipping after scheduled ship date.

## Product Specifications

Plymold reserves the right to continually improve our product. These changes may result in some deviation from printed materials or previous shipments. These design changes are not cause for cancellation and do not relieve the customer of responsibility of payment.

All weights are approximate. Dimensions and drawings are nominal, accepted trade practice permits up to 1/2" per dimension trimming allowance on tabletops. Wall benches and corner booths are manufactured 1/2" to 1" short of customer supplied dimensions in order to assist with variances in construction, and to ensure the finished product will fit inside of the specified space. If an exact fit is requested, Plymold will require our Field Services Team to install the product and the cost will be added to the quote.

## Colors & Finishes

All standard upholstery, stain and other finish options are shown in our catalog. Given the variations in the printing process and individual user's monitor settings the finishes shown in the catalog and online should be used for reference only. If a color sample is required, go to Plymoldessentials.com or contact customer service to request samples. Standard colors and finishes are subject to change without notice.

Wood is a natural product and variations in grain patterns and wood color will occur from piece to piece and within one run. Every species of wood has natural characteristics unique to the tree from which it came from. These characteristics define the beauty of natural wood products. While we strive to obtain the most consistent grain and coloration available for each species, due to the uniqueness inherent in a wood product, we are not responsible for variations within your natural wood order.

## Matching Prior Orders

If you wish to match a previous order, clearly indicate that on your purchase order. Include original invoice number, purchase order number, ship date of previous order, and company ordered from. Occasionally materials and components may no longer be available and we will communicate this to the customer. In the event that a customer needs to match a stain from a previous order and it is no longer part of our standard offering, a custom stain charge will be assessed. Matching upholstery is difficult due to product use and dye lot changes. Plymold cannot guarantee an exact match on upholstered items.

## Order Acknowledgements

All purchase orders will be acknowledged by Plymold upon entry. Please verify that the acknowledgement matches your original order.

## Order Storage

Plymold has a limited capacity to warehouse customer orders past the scheduled ship date. Plymold will hold a completed order for one (1) week without charge. Any orders held longer than one (1) week past the ship date will incur a storage charge of \$25 per day.

# Ordering Info

---

## Held Orders

All requests for orders to be put on hold must be sent via fax or e-mail to Plymold. All orders that have not been manufactured or those that do not require the purchase of additional materials will be put on hold for a maximum of two (2) weeks. If Plymold is not contacted within the two (2) week period after the initial Hold Request, Plymold reserves the right to cancel the order without notification. If merchandise has been manufactured or purchased, Plymold will delay shipment of merchandise a total of one (1) week from the originally scheduled ship date.

## Dispute Resolution

Any claim or dispute arising from, or relating to, a Good, or Service provided on this order will be (a) governed by the laws of the State of Minnesota, United States of America, without regard to its conflicts of law provisions, and (b) must only be litigated in a federal or state court of competent jurisdiction in Dakota County, Minnesota.

## Quality Policy

We are committed to providing quality products and services that meet or exceed customer requirements to the markets we serve. We strive to accomplish this by utilizing continuous improvement methods, innovation, technology, and teamwork.

## Warranty

Plymold warrants all products that they manufacture and/or market to be free from defects in material and workmanship under normal usage and service for one (1) year from date of purchase shown on our commercial invoice. Customer assumes responsibility for normal wear and tear. This agreement excludes all products or component parts that in the opinion of Foldcraft Co. have been subject to neglect, misuse, alteration, accidental damage, failure to complete regular maintenance, or improper installation. Some products have extended warranties. Refer to specific price list pages to determine if an extended warranty applies. Warranty on upholstery is governed solely by the guarantee or warranty of the producing mill. Warranty on solid wood table tops will be affected by moisture conditions and usage. Solid wood table tops must be stored and used in environments with relative humidity in the range of 35% to 50%. Exposure to relative humidity outside this range will cause the product to warp, check or crack, resulting in loss of warranty coverage. If it has been determined that a product is found to be defective within the warranty period, and the product had been properly installed and maintained by the purchaser, Plymold will use their discretion as to whether to replace or repair the product or component without charge.

Plymold's warranty does not cover products or components that have been repaired or altered by someone other than the manufacturer. Any field repairs must be preapproved by the factory in order to maintain coverage of the Plymold warranty. Plymold is not liable for injury, loss or damage, whether direct, consequential or incidental, to persons or property arising out of the purchaser's use, or of any inability to use covered product.

## Returns

Because Plymold product is built to order with unique configurations for each customer, returns are generally not accepted. Returns are only accepted at the discretion of Plymold and products cannot be returned without authorization. Approved returns are subject to a minimum 50% restocking charge. Actual charges will be determined at time of return authorization. Unauthorized returns will be refused at customer expense. All return freight charges must be prepaid by the customer. Any damages that occur in transit when returned to the factory will be communicated to the customer. The customer is responsible for filing a freight claim with the carrier.

## Care & Maintenance

Periodic maintenance is necessary to ensure long term durability and customer satisfaction. Buyers must therefore advise end users of the following:

If a product shows signs of structural failure (i.e. hardware), Plymold recommends removing the piece from service immediately. Perform a thorough inspection of each product once a month. Particular care should be taken in inspecting all joints for loosening. One loose joint will put extra pressure on other joints, resulting in all joints loosening, which may eventually cause the product to fail. In the event that any joints become loose, take product out of service immediately and replace or repair using only factory authorized parts and methods prior to putting the product back into service. Care should be taken when handling product for any reason. The product should not be dropped on the floor from any height, particularly when cleaning the floor and placing the product on a table/bar. If the product is dropped it will result in the finish chipping and the product possibly breaking.

Wood - We recommend cleaning all wood furniture with liquid cleaner-wax combination. Do not use abrasive household cleaners. Water spills on wood surface should be wiped off immediately. NEVER CLEAN ANY WOOD PRODUCT (CHAIRS, BARSTOOLS, WOOD TABLES, BENCHES, TRIM) WITH ANY WATER BASED CLEANING SOLUTION OR WATER ITSELF.

Cleaning any wood surface with water or a water based solution will result in the wood grain and finish lifting and peeling. We suggest educating all employees on how to clean the wood furnishings appropriately to ensure the longevity and beauty of the product. Wood furnishings should not be subject to extreme temperature, particularly heat or moisture, or placed near cooking facilities which will also result in finish lifting and peeling. People should never stand on products in place of a step stool or ladder.

Laminate - To remove stains, wipe the surface with a damp cloth using soap or liquid detergent. Remove stubborn stains with a damp paste of baking soda. Leave on for a minute and then blot away. Abrasive cleaners should not be used. Acid based products spilled on the surface should be wiped off immediately, and then rinsed.

Vinyl Edge and Dur-A-Edge® - Use a liquid detergent suitable for cleaning vinyl. After cleaning, wipe the surface with a cloth dampened with warm water.

Vinyl Upholstery - Refurb, a Plymold exclusive cleaning product, is available at PlymoldEssentials.com and is our recommended method for cleaning vinyl upholstery. A solution of 10% household liquid dish soap with warm water may be used for light soiling. This solution may be used along with a soft bristle brush for more persistent soiling. Wipe away the residue with a water dampened cloth.

Painted Metal - Wipe with a damp cloth. For stubborn stains and grease, use a solution of mild dish soap and water.

Composite / Fiberglass - Remove ordinary dirt and smudges with a mild dish soap and warm water solution. Rinse with a water dampened cloth. Dry with a clean soft cloth or towel. Heavy soiling can be removed with the following non-abrasive household cleaners and a soft cloth.

- Formula 409® All Purpose Spray Cleaner
- Fantastik® Spray Cleaner
- Other similar household cleaners

Rinse cleaned area with a water dampened cloth. Dry with a clean soft cloth or towel.

Shell Seats- Clean with warm water and household detergent. Use non-abrasive household cleaner.

NOTE: Warranty may be voided if proper care and maintenance procedures are not followed.

# Credit & Payments

---

## Credit Terms

For customers doing regular business with Plymold, credit terms can be established. Plymold's standard payment terms for qualifying customers with a strong financial background are Net 30 days. The billing period begins from the date of invoice. Credit terms are determined on an order-by-order basis and are subject to change based on size and complexity of the order as well as the customer's payment history. Orders will not be processed if an account is delinquent. Past due accounts are subject to finance charges of 1.5% per month. Customer will be responsible for any costs incurred in the event that the account is placed for collection. If you have any questions pertaining to your account please contact the Corporate Credit Manager at 507-789-8333 ext. 8248

## Forms of Payment

The following forms of payment are accepted:

- Prepayment by company check
- Credit Card (Visa, Mastercard & American Express)
- Bank Wire Transfer

All orders are made to order; therefore, all credit requirements must be satisfied before the order is placed into production.

## Tracking Information

Plymold will be happy to trace your shipment, or you can contact the carrier directly.

YRC 800.610.6500

Taylor Truck Line 800.962.5994

# Shipping & Delivery

---

## Plymold Freight Program

Plymold has negotiated special freight rates with selected carriers as an added benefit to our customers. Plymold's preferred carriers include YRC and Taylor Trucking. If you have a preferred carrier, please note it on the purchase order and we will try to accommodate your request. If no carrier is requested, one of Plymold's preferred carriers will be used to ship the order. The carrier and pro number are assigned at the time of order entry and appear on your acknowledgement.

Freight rates include tailgate delivery only. Time specific and other special delivery requirements are available for an additional cost. Freight quotes are valid for 30 days and are only valid if the freight charges are prepaid and added to your invoice. Plymold will handle any freight claims that may arise when you use one of our preferred carriers. If an order is shipped via a customer specified carrier, all tracking information and freight claims will be handled between the customer and the carrier.

## Scheduled Delivery

Ship dates are shown on all sales order acknowledgements. Best efforts are made to schedule each order based on customer requirements, material availability, and capacity. Shipment of an order may be delayed if credit terms have not been satisfied. Scheduled ship dates are subject to change due to strikes, accidents, material availability and other factors beyond our control.

## Collect Shipments

Collecting shipments via your specified carrier is also an option. Provided your carrier services our facility, we will make arrangements for pick up but cannot guarantee the rate you will receive.

## Will Call Pickups

Customer pick-ups can be made at our Kenyon facility. You will be notified when your shipment is available. We request that you pick up your order promptly following its availability. Completed orders will be held for a maximum period of one week. After that time storage charges will be assessed at the rate of \$25 per day.

## Freight Claims

Plymold will file all freight claims when such issues arise with Plymold preferred carriers. Inspect your shipment carefully upon receipt. Should your shipment arrive damaged, incomplete or overstated, make appropriate notations on delivery receipt. Report product and / or quantity discrepancies to the carrier and to the Plymold Quality Claims Representative within 15 calendar days of receipt to allow for inspections and prompt issue resolution. When claim issues arise with customer designated carriers, customer is responsible for filing freight claims.

Plymold Quality Claims Representative – 1.800.759.6653 for claims related issues or questions.

# California Proposition 65

---

## Warning

Foldcraft Co. now labels our products in accordance to the Safe Drinking Water and Toxic Enforcement Act of 1986, also known as California Proposition 65. The intended purpose of the Proposition is to inform California's citizens of the potential exposure to chemicals known to cause cancer, birth defects or other reproductive harm, and to protect state drinking water sources from such chemicals.

Proposition 65 requires businesses to notify Californians of potential exposure to chemicals in products they purchase, or exposure to chemicals that are released into the environment. Any company that operates or sells products in California or manufactures or distributes products that may be sold in California is subject to this regulation.

The California Office of Environmental Health Hazard Assessment (OEHHA) is required to annually publish a list of chemicals that they have determined to be a carcinogen or reproductive toxicant. Of over 800 chemicals or ingredients currently on the list, many are naturally occurring and / or synthetic chemicals, including additives or ingredients in common household products, foods, drugs, dyes and solvents.

Also included on the list are common by-products of furniture production, such as wood dust and leather dust. A chemical used in the furniture industry as a flame retardant to meet California's TB 177 upholstery flammability standard, was recently added to the OEHHA chemical list and requires notification under Proposition 65.

Under ideal circumstances, we would only label those products that we knew were being shipped to California. However, due to the nature of the foodservice sales channel, it is difficult for us to identify which products would ultimately be bought, sold or brought into California. To ensure that we are in compliance with the regulation, all of our products will be labeled. Failure to include a warning could result in a civil penalty.

The following products contain chemicals covered under California's Proposition 65.

- Bench Units
- Cluster Seating – Chair Heads
- Contour Seats
- Court Seats
- Metal Chairs & Stools
- Casegoods & Cabinets
- Tables & Counters – Solid Wood & Laminate
- Upholstered Furniture: Booths, Wall Benches, Banquettes, Chairs,

- Sofas, Loveseats
- Wood Bases
- Wood Booths
- Wood Chairs & Stools

The level of risk that triggers the need for a Prop 65 label, as defined for chemicals listed as carcinogens, is when a person exposed to that chemical above the "no significant risk level" for 70 years would have more than a "one in 100,000" chance of developing cancer as a result of the exposure.

The fact that a product bears a Proposition 65 warning does not mean by itself that the product is unsafe. Proposition 65 can be thought of as a "right to know" law rather than a product safety law. The intention of the regulation is that Californians have the right to know when they are exposed to chemicals that may potentially cause cancer or reproductive harm.

We want to assure you that Foldcraft always has the best interests and safety of our customers and employees in mind. We will continue to challenge our organization to ensure that we achieve the highest level of quality and safety possible. Thank you for your continued support.
