ALESSANDRIA PV2

A great Swing back model with a wide cushion between seats gives you that extra space and comfort you are looking for. PV2 is an integrated double cupholder arm with a top pyramid shape which was designed to share it without rubbing arms, its cushioned and upholstered pads enhance its comfort. Or if preferred it can be selected without pads due to the nice textured surface. Numbering plates available thus, your reserved seating system has a new partner.

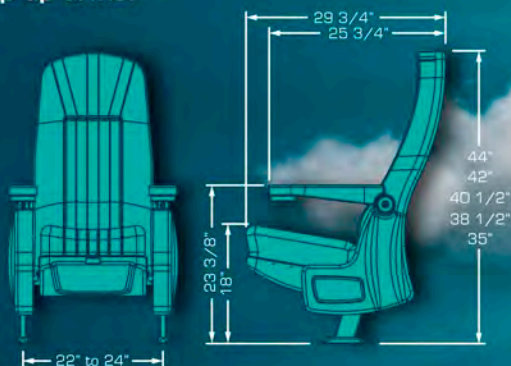

ALESSANDRIA PLUS

Its cushion between seats gives you a plus in space and comfort, the fully cushioned and upholstered arms allow you to live an experience of total comfort, besides enjoying a totally silent swinging and perfect loveseat. Enjoy a high end seat without sacrificing space

ALESSANDRIA ROCKER/SWING

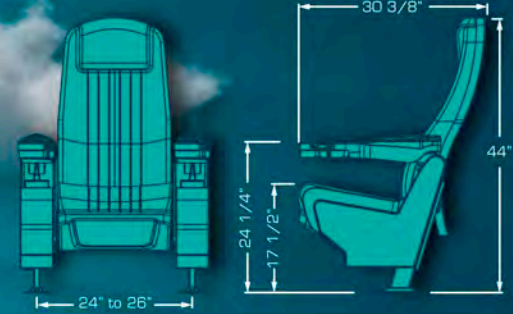

The perfect rocking seat with a simultaneous seat and back motion completely silent, the noiseless tilt up bottom allows patrons a safe and efficient walk out. Look for the swing version (only back motion) and the variety of available flip up arms.

CAPRI PV2
